

Rosie's Colorful Caterpillar

WHAT YOU WILL NEED:

coloured paper

black marker

glue

pipe cleaner

scissors

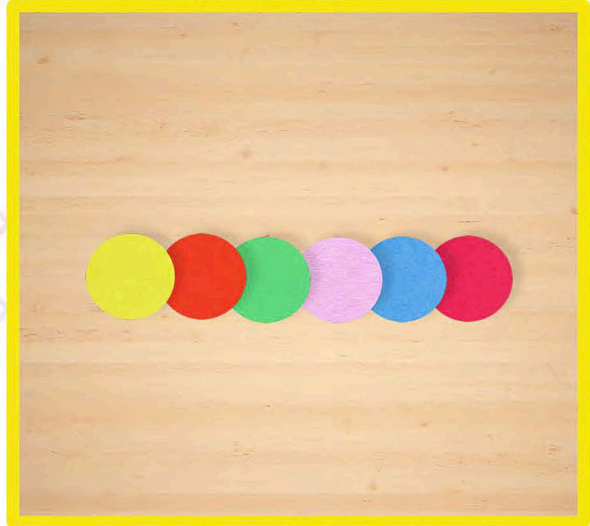

STEP 1

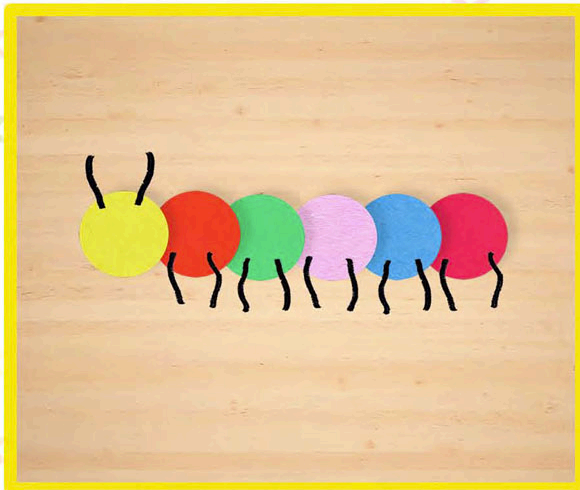

Cut circles using a different coloured paper for each letter. Each circle must be the same size.

STEP 2

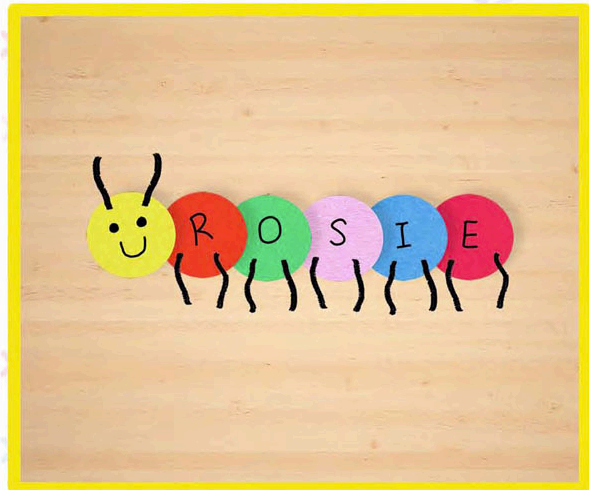

Glue a small part of each circle to each other to create the body of your caterpillar.

STEP 3

Cut strips of pipe cleaner and glue them on the coloured circles to create the caterpillar's antennae and legs.

STEP 4

Draw a face on your caterpillar and you can also write your name on each circle that you made.
