

BIG BEAR'S PAPER LANTERN

WHAT YOU WILL NEED:

coloured paper

stapler

scissors

glue

STEP 1

Fold a piece of coloured paper in half.

STEP 2

Cut along the folded edge to create slits but not all the way to the end.

STEP 3

Open the folded paper and take both ends to create a tube form.

STEP 4

Staple the edges to secure.

STEP 5

Get a different coloured paper and roll it to form a tube. Glue to secure.

STEP 6

Insert the other tube inside the lantern.

STEP 7

Cut a strip of coloured paper and glue it on each side of the lantern to create a handle.

STEP 8

Decorate your lantern!
Well done.
