

# OAKLEY'S 3D TREE

## WHAT YOU WILL NEED:

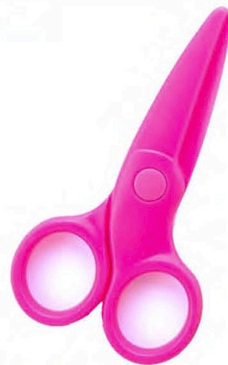

**coloured paper**

**glue**

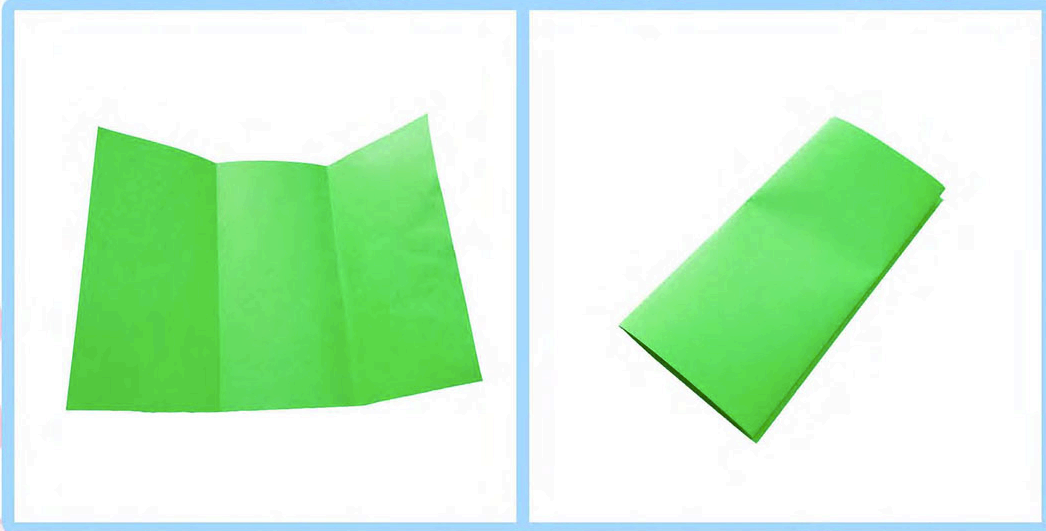

**pencil**

**scissors**

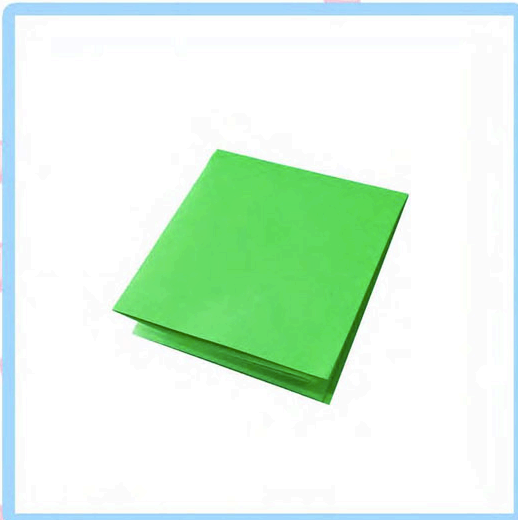

## STEP 1

Take the green paper and fold into three.

## STEP 2

Then fold it over.

## STEP 3

From the crease, draw a half bunch of tree leaves.

## STEP 4

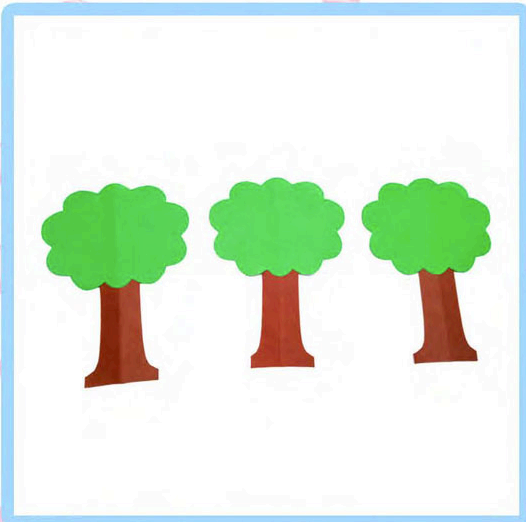

Cut it out and release the fold. You now have three identical tree leaves.

## STEP 5

Repeat the steps with brown paper but this time draw a trunk.

## STEP 6

Glue the leaves and trunk together.

## STEP 7

Fold them over.

## STEP 8

Glue the 3 trees together on each sides.

## STEP 9

Fold it if needed to create a 3D effect.
